MEET YOUR COACHES

**CLEO MOW, Dossier Professional Development
Coordinator/Educational Consultant/ Dossier Coach**

Hometown- Aragon, NM- but Nogal is my forever home, UNM -Elementary Education, Grand Canyon University Masters in Designing Curriculum Instruction and Administration.

I have had the pleasure of working with REC9 and the Dossier Initiative since August of 2019. I have 16+ years of experience in the classroom as an instructional coach and a reading specialist. I have worked with all grades but have enjoyed first grade the most. I have a passion for small schools since I am a product of one; however, I love working with students and teachers alike. In addition, I enjoy reading, my horses, hunting, camping, and fishing along with spending time with my husband who owns a small business, our son in the Army, and the many nieces and nephews that fill my heart.

As a dossier coach, I take pleasure in getting to know teachers from around the state, working with them as they go through the dossier process, and preparing them for advancement in licensure. It is always exciting to see the diversity in the various classrooms and the extra effort educators put into the process to demonstrate their expertise.

ADMINISTRATORS AND DOSSIER

Did you know your dossier is more than Strands A, B & C? An administrator has to approve strands D and E before the hard work and effort put into strands A, B and C can be reviewed. If you are an administrator please be aware of your crucial role in the submission process. If you are an educator please be sure to inform your administrator that you have submitted and request that they login to the portal and review your submission. If there are questions regarding administrator roles consider attending one of our Admin Trainings found below or reach out utilizing our [Dossier Support Ticket](#).
